SKÅL!

"Skål," pronounced like "skoal," is what people say when they toast in Sweden. At the start of the meal, raise a glass keeping the arm at a right angle and look around the table, making eye contact with everyone in attendance. Then, with a declaration of "skål!" take a drink. Make eye contact once again with everyone at the table before putting down the glass.

MIMOSA

SPARKLING WINE & FRESH JUICE
